MAY 01 2001

Technology Center 2600

In the Claims:

All of the pending claims in the case, both those for which
amendments are being requested and those not amended as well as
those being added, are set forth below, except for Claims 49 and 50
which are being cancelled.

1. (Fifthly Amended) A device for personal communication,
data collection and data processing, which is a small-sized,
portable and hand-held work station including a housing and
comprising a data processing unit, a display, a user interface, a
number of peripheral device interfaces, at least one memory unit;
a power source, and application software, wherein the device also
comprises:

a camera unit for obtaining and outputting image information
